

University Educational Approach

Our educational approach gives our students the best possible preparation for the matura exams and subsequent challenges they will face at a university or a university of applied sciences.

Lectures

Theory teaching
through daily lectures.

Knowledge Transfer
(e-learning)

Practice sessions

Practice groups (approx. 15 students)
for **optimal consolidation**
of the lecture material.

Interactive Learning
(e-learning)

Consolidation

Independent and **autonomous**
content consolidation via e-learning.

Autonomous Learning
(e-learning)
